

ELDER SIZING CHARTS

(These sizing charts are based on the customer's body measurements.)

Listed below are body measurements that correspond to sizes in each of our different size ranges. This will help determine what size to purchase after measuring the customer. If measurements fall in more than one size range column, depending on the style of the garment, order the size of the largest measurement. Unisex garments are made from male sizing. All measurements are given in inches.

HOW TO MEASURE:

BUST/CHEST Hold tape snugly under arms around fullest part of chest making sure tape measure is level all around.

NATURAL WAIST Hold tape snugly at natural waist. This is usually at the natural indent. Do not pull tape tight. Do not measure over clothing.

When ordering drop waist garments, measure 1-2" below waist.

SEAT/HIP Have child stand straight with feet together. Measure around fullest part of seat/hips. Hold tape snug, not tight and level all around.

OUTSEAM Hold tape measure at natural waist to bottom of ankle bone.

INSEAM Measure from top of inner thigh to bottom of ankle bone. - OR - Using a pair of pants that fit, measure the inside of the leg from the crotch seam to the hem line.

SLEEVE LENGTH Center Back to Wrist: Hold tape at base of neck to shoulder socket, down back of arm to elbow and then to wrist bone.

Cap to Wrist: Measure from shoulder socket down to wrist bone.
